

Rajkiya Engineering College Kannauj

Department of Electronics Engineering Organises International Webinar

On

Study, Research and Job Opportunities in USA & Europe

Objective of the Webinar

To acquaint students about the Study, Research, and Job opportunities in the United States and Europe. The speakers are young and have been working in Engineering/Research fields in some of the prestigious organisations in the US and Europe. They will share their experiences regarding the subject of this webinar, and guide the students about how can they prepare themselves educationally and financially for the research, study and career opportunities in the US and Europe.

Date: 14 March 2021 (Sunday), 6:30 PM - 9:00 PM (IST), keeping the Time-Zone difference between India, US and Europe in mind.

Speakers

1. Dr. Raghunandan M. Rao

Senior Research Engineer, Samsung Research America, Texas, USA
MS and PhD, Virginia Tech, USA
M.Tech, IIT Kanpur, India

2. Dr. Abinash Tripathy

Postdoctoral Research Scientist, ETH Zurich, Switzerland
PhD, IISc Bangalore, India and University of Bristol, UK
M.Tech, IIT Kanpur, India
